Re: Valley Crest Landfill Superfund Site
Dayton, Ohio

Dear Madam or Sir:

In accordance with section 11.7 of the Agreement of Purchase and Sale between Labinal Components and Systems, Inc. and TRW, Inc. dated October 15, 1987, I am forwarding herewith information received from Dinsmore & Shohl regarding the above-referenced superfund site. According to the information, TRW, Inc. has been named as a Potentially Responsible Party via its Globe Motors Division and, therefore, may be liable for a pro rata portion of the cleanup costs associated with the site.

Inasmuch as liability resulting from environmental matters were excluded liabilities under section 2.5(f) of the agreement, we have forwarded the above-referenced information for your consideration and processing.

If you have any questions or wish to discuss this matter more fully, please do not hesitate to contact me.

Sincerely,

Thomas F. Carroll
